

## ER-1215S (23W max.) Hand Grip Type Megaphones with Siren

### Main Features:

The ER-1215S is a hand grip type, 15W output megaphone with siren. Pressing the siren button sounds a siren continuously in emergency conditions. Handle and microphone with anti-bacteria treatment improve hygiene and safety during use. The newly developed polyimide diaphragm is employed to ensure high sound quality.

### SPECIFICATION
