

UNI-PEX Handyhorn

TRC-3W

With Whistle Mini-Megaphone

Main Features:

A new type of driver incorporating new materials features a neodymium speaker magnet with approximately 13 times the magnetic energy product of ordinary ferrite magnets helps reduce the mass of the speaker unit to just 1/8th that of ordinary speakers of comparable function, contributing to improved efficiency and considerably lighter weight.

SPECIFICATION

Power Supply	(Dry cell battery) R6P, AA-Size (SUM-3) X 4
Max Power	4W
Rated power	3W
Frequency response	700Hz ~ 5kHz
Sound coverage	Voice signal/Approx 100m (for EIAJ) Whistle minimum volume/ Approx. 50m (for EIAJ), Whistle maximum volume/Approx. 125m(for EIAJ)
Finish	ABS resin, White
Caliber dimensions	79(W)×123(H)mm
External dimensions	88(W)×132(W)×214(W)mm(Excluding strap)
Weight	Approx.600g(Excluding batteries)
